

LIVING UNITED IN LOGAN COUNTY

For 2022, The United Way of Logan County continues to partner with 14 non-profit programs in our community. Girls on the Run of Central Illinois is just one of those programs. During the last school year over 80 3rd to 5th grade girls from all over Logan County participated in Girls on the Run and 32 adults volunteered as coaches.

Girls on the Run is designed to enhance girls' social, emotional and physical skills and behaviors to successfully navigate life experiences. Girls who participate develop and improve competence and confidence. They develop strength of character and create positive connections with others.

Due to the **United Way Grant**, Girls on the Run was able to provide 72% of local families with scholarships to help with the cost of the program. United Way funds ensure that no Logan County girl was unable to participate due to lack of resources.

Jennifer Sublett, Executive Director of Girls on the Run Central Illinois adds, *"United Way helps Girls on the Run connect with local families to impact physical activity and inspire confidence and self-esteem. With the support of the United Way, we served*

girls at 7 various sites in the county and each team designed and implemented a Community Impact Project, which makes a further contribution to the greater community."

Your Support Matters! Because this community supports The United Way of Logan County, Illinois, children have opportunities to live healthy, busy lives. Seniors can remain active and in their own homes. Families can prosper and recover from tragedy. Together we are doing what no one person or organization can do alone.
