

LIVING UNITED IN LOGAN COUNTY

For 2025, The United Way of Logan County continues to partner with 14 non-profit programs in our community. The **OASIS Senior Center** is one of those programs.

The Oasis exists to provide a place where Logan County senior citizens, as individuals or in groups, come together for services and activities which enhance their dignity, support independence and encourage their involvement in and with the community. With over 900 members, the center hosts social events for members and the community, provides educational opportunities and health and wellness programs. Services are also available at the Oasis to the members and to the public.

United Way funding has been used to enhance facilities and equipment to allow the continuation of these programs and services and improve efficiency of the facility. This keeps the overall cost to participate lower for members.

Your Support Matters! Because this community supports The United Way of Logan County, Illinois, children have opportunities to live healthy, busy lives. Seniors can remain active and in their own homes. Families can prosper and recover from tragedy. Together we are doing what no one person or organization can do alone. Help us help others at www.uwlogancountyil.org

Thank you for making a difference.
